

Writable FEATURES & BENEFITS

Writable is a writing program for grades 3-12 that engages and supports students through the writing process while saving teachers time on prep and feedback.

Feedback, Grading, & Revision

The Feedback Engine	Self-review, anonymous peer review, RevisionAid (AI), and Originality Check from Turnitin.
Teacher Dashboard & Grading	In-line commenting tied to rubrics, stored comments, Live Feedback for virtual conferencing.
Student Revision	Student dashboard & checklists, comment-stems for authentic feedback, revision points.

Practice & Curriculum

600+ Assignments & Prompts	Genre-based essays, short responses, graphic organizers, and models. Collections include skills practice, response to reading, EL, SAT/ACT & AP prep, multiple content areas, and more.
Create or Customize	Update any assignment with video lessons, readings/PDFs, prompts, checklists, and more.
Rubric Explorer	1k+ items aligned to state, CCSS and curriculum standards, or custom rubrics.
Differentiation	Add scaffolds, personalize assignments for groups, and provide models for students.
Annotate & Print Readings	Highlight and annotate readings or easily print for offline learning.

Assessment & Reporting

Custom Benchmarks	Create and administer common writing assessments using district rubrics.
State & EL Assessments	Coverage includes 35+ state summative assessments. Also WIDA/ELPAC, and TELPAS.
District Content & Rubrics	'My District' page allows for easy-to-distribute district assignments, assessments, & rubrics.
Export & Print	Export scores & writing to Google Docs/Sheets, CSV, or PDF.
Reports	Monitor growth over time by student, class, school, district, standard, and skill.
Team Grading	Calibrate grading and identify proficient student anchor papers.

Technology

Google & Microsoft	Login with Gmail/Classroom, 365, or LMSs. Students can write in embedded Google Docs.
Schoology, Canvas, & Classroom	Rosters and grades easily sync. Assign directly to your LMS or Classroom stream.
Requirements	Compatible with desktops, laptops, and large tablets. Modern browsers preferred.

Support & Learning

Comprehensive Support	Live chat, tutorials, guides, virtual office hours, webinars, and your own success manager.
Learning Communities	Writing Matters podcast with Dr. Troy Hicks, a weekly Twitter chat, and a Facebook group.
Virtual Learning Support	The Virtual Learning Center, webinars, Project Write Together, and more.

Privacy & Accessibility

Compliant	WCAG 2.0 AA, FERPA, COPPA, SDPC, and Student Privacy Pledge.
Program Supports	Spanish navigation, text-to-speech, and supports Google extensions/add-ons.

Coming Soon

AI grammar support, add'l reporting, add'l Microsoft integration.
